5.

A hare and a tortoise lived in a forest. The hare was very proud. He said, "I can run very fast". The hare saw a tortoise nearby. He asked him, "Would you like to run a race with me?" To his surprise, the tortoise said, "Yes, I would". The hare laughed. He thought, "How can this slow tortoise ever win a race?"

The tortoise agreed. The race began. The hare ran very fast. When he had reached more than half the way, he turned round. He saw the tortoise coming slowly. I shall take a rest and still win the race." The hare then went to sleep.

The tortoise kept on walking slowly and steadily. Soon he passed the hare, whom he found fast asleep and reached the finishing line. When the hare woke up, he saw the tortoise near the finishing line. So he ran very fast. But by that time the tortoise had won the race.
